## The Scarf-in-a-Scarf

For the “knitter in the know” ready for that quick fun project, the “scarf knitter” ready to take it to the next level, the friend or relative that wants to buy that special gift but has no idea where to begin and for your best “dye-hard” customers that want to know, “What’s new?”, HPKY presents The Scarf-in-a-Scarf.

These beautiful kits consist of:

- Four skeins of hand painted 50% silk / 50% merino yarn (100 yards each = 400 yards). Needless to say this is very soft with a lovely drape.
- A 100% silk scarf dyed at the same time the yarn is dyed for a spectacular color match.
- Packaged in a candy/stationary type box with a clear lid so the customer sees the brilliant colors of the yarn along with the matching silk scarf.
- Pattern is included on the back of the box.

What makes the project so special is after the knitting is completed, the silk scarf is woven in and out of the butto holes down the center of the scarf. There are multiple ways this can be worn. Here are just a few of the many possibilities.

Wholesale cost \$29 per kit, suggested retail is \$59. Available in cases of 20 kits - \$580 per case. Ready for shipping mid May 2010.
